**We the undersigned residents and property owners in the area north of Gardiner and south of Yankee Jim Canyon oppose the "Wild and Scenic River" designation suggested by the Custer/Gallatin Forest Service. A new layer of Federal Regulation could impact private property rights by working with State and Local governments to enact zoning ordinances or to pursue 'eminent domain'. It could be used to restrict recreational use of river accesses and shooting ranges on USFS property. Weed abatement practices may be restricted on public and private property in the watershed. We are Montana citizens who do not wish to become a "Buffer Zone" for Yellowstone National Park.**
