Comments:

From 1980 to 1989 I worked at the Firehole Ranch on Hebgen Lake. I had an original Stumpjumper Mountain bike. I have found memories of riding my bike in the Lion's Head area. I live in Teton Valley now and do most of my riding locally but it would be nice to know that i could go and ride some of my favorite trails in the future. I hope you will keep the Lions Head area open to mountain bikes in your new forest plan. Thanks for the opportunity to comment.
