Dear CGNF,

Thank you for the opportunity to comment on the management of the CGNF:

- 1) Manage recommended wilderness areas just like designated wilderness areas. NO MOTORS OR BIKES!
- 2)The Pryor Mountains deserve Wilderness areas! Bear Canyon, Lost Water Canyon, Big Pryor Mountain, and the Punch Bowl, just to name a few deserving areas.
- 3)Protect the existing recommended Wilderness areas surrounding the A-B Wilderness such as Dome Mountain, Chico Peak, Emigrant Peak, West Woodbine, East Rosebud to Stillwater, Lionhead, and Red Lodge Creek.
- 4)Implement the Gallatin Forest Partnership Agreement.
- 5)Protect the wilderness and cultural values of the Crazy Mountains.
