Dear CGNF,

Please protect the very beautiful wild places in the CGNF :

- Protect the Crazy Mts.

- Protect the roadless areas in the Pryor Mts. as wilderness.....Lost Water, Big Pryor, Punch Bowl, & Bear Canyon.

- Keep the current wilderness boundaries in the Lionhead

- Implement the Gallatin Forest Partnership agreement

- Keep the current wilderness designation in the Abaroka Beartooth area plus Dome Mt., Emigrant Peak, Chico Peak, Woodbine, East Rosebud to Stillwater, & Red Lodge Creek.

- designate wilderness in the Ashland district....manage the Tongue River Breaks, King Mt., & Cook Mt.

- Manage these wilderness areas just like designated wilderness.....allow foot & horse travel, not allowing mechanized or motorized use.

My husband & I are native Montanans in our mid 70's. We have hiked in every area that was mentioned above. Several of these Mt. ranges we are now taking our grandchildren to on backpacks. The face of Montana has changed dramatically. Protection of wild places need to be implemented more than ever! Please do your part to help keep Montana the "Last Best Place"!

Sincerely,

Jan Horan
