Comments:

Please protect the wilderness values and cultural significance of the Crazy Mtns. as well as the existing recommended wilderness in the Lionhead, Absaroka Beartooths, Dome Mtn., Chico peak, Emigrant Peak, West Woodbine, East Rosebud to Stillwater and Red Lodge Creek.

We would also ask for recommending Lost Water, Big Pryor, Punch Bowl and Bear Canyon in the Pryor for wilderness.

Recommended wilderness needs to be managed like designated wilderness and not allow mountain biking or motorized use. These vehicles have thousands of miles of trail that they can legally use. Not ever trail is epic!
