Comments:

Vacant grazing allotments in the Wildernesses should return to a wild condition.

No trail construction or reconstruction.

I support the wilderness recommendations in Alternative D of the Revised Draft Forest Plan; however, they must be improved by adding the entire 230,000 wild, roadless acres of the Gallatin Range as Recommend Wilderness in the final forest plan. The following three points also expand on the importance for the wild Gallatin Range.

Prohibit all motorized and mechanized uses, and any other activities not consistent with wilderness protection.
