Comments:

To whom it may concern, please don't close anymore areas to snowmobiling. We love to travel to Montana and we take several trips a year. Spending our hard earned money to use our snowmobiles to access the mountains. That allows us to enjoy the mountains and get to experience the country wouldn't be accessible without snowmobiles. It would be really sad if we turn our land into wilderness so that our children never get to experience such special places. Please don't lock us out.

Sincerely, Stephanie Melzer
