Comments:

Montana, Idaho and Wyoming have been managing our iconic buffalo to extinction. It is in their laws! Idaho Code § 25-618(1);Wyo. Stat. Ann. § 23-1-302(a)(xxvii);Mont. Code Ann. § 81-2-120.

It's time we put a stop to this atrocity. Our buffalo are important to all Americans. I'm sick of reading about the killing, harassment and slaughter of these magnificent beasts. The Federal Government needs to protect these animals - not fund their eradication.
