Comments:

I am submitting a letter to the Forest Service because as a citizen who values the environment along with being and avid outdoor recreation enthusiast (including mountain biking) I think that the following issues are important:

- Protecting the Crazy Mountains to preserve their outstanding wilderness values and managing the area in close consultation with the Crow Nation

- Protecting the following roadless areas in the Pryor Mountains as recommended Wilderness: Lost Water, Big Pryor, Punch Bowl, and Bear Canyon

- Implementing the Gallatin Forest Partnership agreement (except do not allow mountain bikes in the Buffalo Horn - Porcupine area. Have this area be wilderness to protect a vital wildlife corridor)

- Maintaining the boundaries of the current recommended Wilderness in the Lionhead

- Protecting the following roadless areas surrounding the AbsarokaBeartooth Wilderness as recommended Wilderness: Line Creek Plateau, Red Lodge Creek-Hellroaring Plateau, North Fork, Strawberry Creek, Chico Peak, Emigrant Peak, and Dome Mountain

Managing the Tongue River Breaks, King Mountain, and Cook Mountain in the Ashland district as non-motorized hiking-and-riding areas, and expressly prohibiting mountain bikes, since the landscape is simply not suitable for this use

Managing recommended Wilderness just like designated Wilderness, allowing only foot and horse travel in recommended Wilderness and not allowing any mechanized or motorized use

Thank you,
Shelby Jiller
