Comment draft plan - CGNF

Forest Plan Revision Team

PO Box 130

Bozeman, MT 59718

Dear Revision Team,

Thank you for the opportunity to comment on The Custer Gallatin National Forest's Draft Management Plan. I strongly oppose the Gallatin Forest Partnership agreement, which places humans desires to exploit the landscape above the preservation of our last best wild lands, at a time when climate change and mass extinction are at our doorstep. Please adopt Alternative D, with 230,000 acres of recommended Wilderness, as per the proposal at [gallatinwilderness.org](http://gallatinwilderness.org) for the sake of the planet's future, for wildlife and future generations. Thank you.

Respectfully,

Ms. Nancy Ostlie
