Hello,

I am an avid cyclist and enjoy riding in remote backcountry. I am growing weary of hearing about new Wilderness areas which preclude cyclists from enjoying these areas.

I support the Gallatin Forest Partnership Agreement.

I support continued bicycle access to Lionhead.

Please continue to manage Recommended Wilderness to allow bicycle access. This is how the Castaic Recommended Wilderness (in my home County) is managed and I appreciate it.

I hope to visit this area soon and enjoy the area on my bicycle.

Thank you for your consideration.

Ken Raleigh
