Comments:

I would support Alternative D of the Revised Draft Forest Plan. But please include the entire 230,000 wild, roadless acres of the Gallatin Range as Recommend Wilderness. In addition, the plan should prohibit all motorized and mechanized uses, and any other activities not consistent with wilderness protection.

There must be management to the Absaroka-Beartooth and Lee Metcalf Wildernesses. The plan should limit the size of people and pack animals, as large numbers can cause damage.

Please consider these issues. Thank you.
