

Dear Custer Gallatin National Forest:

I support alternative C in the current draft of the forest plan!

Protect watersheds - we all need healthy clean water

Protect 130,000 acres for wildlife and people in wilderness

Protect habitat migration routes

Protect climate changes & new science techniques to manage
natural cycles like forest fires

Protect our playgrounds, ^{making} areas of the canyon w/lyte - longpine

Buffalo Herd wilderness study ~~are~~ ^{are} safeguarded to protect
high quality rec experience, wild character, habitat and
critical watersheds. Thanks for your consideration!
