Comments:

It is of great importance to me, having lived in Montana for 61 years and worked saw mills and other timber products jobs, and having hiked extensively throughout the region, the the following decisions are made regarding the natinoal forest plan: Please protect the Crazy Mountains, considering the wishes of the Crow Nation. Please protect the Lost Water, Big Pryor, Punch Bowl and Bear Canyon portions of the Pryor Mountains. Please impement the Gallatin Forest Partnership Agreement. Please maintain the boundaries of the current recommende Wilderness in the Lionhead. Most importantly protect the Line Creek Plateau, Red Lodge Creek-Hellroaring Plateau, North Fork, Strawberry Creek, Chico Peak, Emigrant Peak and Dome Mountain roadless areas, as much of these should have been included in the Wilderness area to begin with. Please manage the Tongue River Breaks, King Mountain and Cook Mountain areas as non-motorized hiking and riding areas. Please manage recommended Wilderness areas like designated Wilderness.
