Dear U.S. Forest Service/Custer Gallatin Forest Plan Revision,

1) I support the wilderness recommendations in Alternative D but with the addition of 230,000 wild, roadless acres of the Gallatin Range.

2)The plan must prohibit all motorized and mechanized uses.

3)The Forest service must reduce group size limits of stock (horses & mules) in the Absaroka-Beartooth & Lee Metcalf Wilderness

4)The issue of human & pack animal feces contamination of lakes & streams on the Beartooth Plateau must be address. Eliminate fish stocking.

Thank You!
