Above is the Forest Service map of connecting corridors. I request that you keep all of these corridors open for wildlife. The corridors that I see in your map are;

- \* Gallatin - Bridger-Big Belt
- \* AB front roadless areas to the Crazy Mountains and on to the Little Belts
- \* Across the northern Madison Range through Cowboy Heaven
- \* Many routes in the West Yellowstone area
- \* Along the western edge of YNP
- \* The Continental Divide
- \* Teepee Creek area/Red Canyon
- \* Taylor Fork area west to the Madison Valley

These are all places I frequent and treasure.

Thank you for accepting my comments
